

The Funky Door Experience -

Bringing the World of Wine to West Texas!

## The List

Open a bottle, take a journey to new and interesting places! We scour the globe to offer an impeccable wine list that was painstakingly developed, (what a tough job!) to accommodate every taste with over 1600 labels to choose from. Our knowledgeable staff, including six Sommeliers, will be glad to help you select the perfect pairing for your meal. If you do not see your favorite, please let us know. We will open any bottle with a commitment to purchase two glasses.

## Wine Station

This sleek Italian innovation uses harmless, inert gas to protect wines from being altered by oxygen for up to five weeks. It stores each wine at its optimum temperature and ensures a pristine wine tasting experience. With so many different wines, choosing can sometimes be intimidating; with this system you can taste and find the perfect glass. We proudly offer our "Connoisseur Collection"; these are luxurious and rare wines, which, at last, we are able to offer by the glass!

## The Vault

We have been collecting an awe-inspiring fine wine collection from around the globe for many years. True 'Unicorns' - Many one bottle offerings, impossible to find beauties & older vintage treasures. Limited availability, please ask your server to confirm selection.

## Handcrafted Cocktails, Beer & Spirits

The Funky Door Elite Bar Crew was voted the best in West Texas! We pride ourselves on perfecting all the classic favorites and the newest trends and techniques, using only homemade purees and juices. It is our passion to create inspired, fresh, serious, hand-crafted cocktails. We have an extensive beer list, great offerings from around the globe as well as the local favs. Our bartenders will be glad to recommend or create some new favorites for you.

Sit at the bar to experience their rapid wit and charming sophistication!  
All of our wines and cocktails are available to go with food purchase.

Cheers!

*Carrie Britton*

Certified Court of Master Sommeliers, French Wine Scholar, WSET Diploma
